

# What is Climathon?

- The world's largest climate action movement of its kind
- Core activity is the **24-hour hackathon-style event** to find innovative, city-level solutions to climate change challenges taking place simultaneously in major cities around the world on the 25th and 26th of October 2019
- **50-100 participants** (entrepreneurs, students, innovators, etc.) work and innovate simultaneously on city challenge in their city
- All individual events are linked up digitally to allow for **intercontinental collaboration**
- Pitch event and jury selection of winner at the end
- **Follow-up** of best solutions created
